Our Business

We are a privately owned Water & Soft Drink Manufacture based in Wales which started in 1989. We produce a wide range of products ranging from water to premium adult pressés for the Food & Drink Sector.

We have approximately 245 employees in manufacturing, management, and clerical. We also engage a small number of agency workers to support the business at peak times throughout the year. These are generally employed in our manufacturing and packing departments.

Our Supply Chain

We source and buy ingredients and packaging from approved suppliers who source globally. We then produce the products to sell direct to wholesalers and retailers. The company will not knowingly support or deal with any business involved in slavery or human trafficking.

Our Policies & Processes

Our commitment to human rights and modern slavery are captured in a number of policies and protocols throughout the company, including but not limited to the following:

- **Whistleblowing Policy:** Radnor Hills encourages all of its workers and other business partners to report any concerns related to the direct activities, or the supply chain of the organisation. This includes any circumstances that may give rise to an enhanced risk of slavery or human trafficking. The Whistleblowing procedure is designed to make it easy for workers to make disclosures, without fear of retaliation.
- **Employee Code of Conduct:** During our employee induction process employees are taken through our expected behaviours and responsibilities. We strive to maintain the highest standards of employees with conduct and ethical behaviour.
- **Purchasing & Supplier Procedure:** Radnor Hills is committed to ensuring that its suppliers adhere to the highest standard of ethics. Suppliers are required to demonstrate that they provide safe working conditions where necessary, treat workers with dignity and respect, and act ethically and within the law in their use of labour. Serious violations of Radnor Hills Supplier Code of conduct will lead to the termination of the business relationship.
- **Recruitment/Agency Workers Policy:** Radnor Hills uses only specified, reputable employment agencies to source labour and always verifies the practices of any new agency it is using before accepting workers from that agency.
